**Attachments:**

Staff report of October 27, 2009

Scope of Work dated October 24, 2009

Proposed Contract

**Initiated by:**

Public Works Department

**Budget Impact:**

\$49,845 FY 2010, an additional \$65,000 in out-years (Funding included in current biennial budget)

**Sustainability Impact:**

Efforts in MS4 NPDES compliance are targeted at collaboratively negotiating permit requirements and most economically meeting the requirements of treating and detaining storm water runoff.

**Policy Questions for Council Consideration:**

None

**Summary:**

The City of Oregon City competitively solicited engineering firms for environmental services with a provision for other municipalities and agencies to utilize their competitive process. West Linn participated in Oregon City's technical review committee that selected Brown and Caldwell. By piggy-backing on the Oregon City competitive consultant selection, West Linn is able to utilize a highly qualified consultant at competitive rates, and retain the

ability to utilize a single consultant in representing the interests and concerns of many of the co-permittees in the area. Costs and effort and effort will be reduced by this shared consultant.

**Recommended Action:**

The City Council, acting as the Contracts Review Board, pass a motion authorizing the City Manager to award the MS4-related consultant services contract to Brown and Caldwell.
